Dan:

This was my responsibility as was the Reply brief. I had a very personal emergency last week which caused Peter to spend his weekend covering me. Peter thought I called you because that is what I told him I would do. I am back in the office today. I am working on the revisions. I hope to have them to you no later than tomorrow. If you feel it necessary to see me punished, I ask that you leave Peter out of this as he did the best he could to provide coverage for me. This is on me and not him.

Thank you and have a great day.

You are now in contempt for violating the Court's order; August 2 came and went without a production of documents or supplemental responses. Please immediately advise as to status.
